## Recycling for Newaygo County

### RNC Operations

Our **8 single stream collection sites** in and edging Newaygo County serve 4,000 households. Materials collected 1-4 times weekly (based on site busyness) are diverted to Kent County for processing.

We operate a fee-based **cardboard and paper pickup** service, and provide bins at The Center at no charge for business scale drop-offs. The center features commercial **shredding** with documentation if we shred.

Also at The Center, we accept **trash** at \$3/33-gallon bag or \$1/small kitchen bag.

**Teaching about Recycling** is an equally vital part of our Mission. We host an annual Recycling Fair and Earth Day contests, visit schools and summer camps, and present at trade shows, public functions, and speaking engagements. This fall, we kick off the brand new **RNC EARTH BRIGADE** environmental youth group.

### OUR MISSION

...is to enhance the environmental health and beauty of Newaygo County and surrounding areas by providing convenient recycling services to local households and businesses, and to educate the public about recycling.

### BOARD OF DIRECTORS

Acting President: Carolyn Humble  
 Treasurer: Jean Teets      Secretary: Marcia Dougan  
 David White      Mary Ann Cirigliano      Joyce Dykstra

Our rented **Newaygo location** houses our office, plant, and The Recycling Center, where members/recyclers dispose of difficult to recycle items, i.e. FL bulbs and batteries.

We redistribute **serviceable goods**, i.e. polystyrene egg cartons/peanuts/coolers; latex paint; household cleaners; and lawn/yard care products.
